<div align="center">
Department of Electrical and Computer Engineering
University of Colorado Colorado Springs
Independent Study/Project Approval Form
</div>

Students interested in independent study credit must read and adhere to the following rules:

1. Students must have a minimum GPA of 3.0 to register for an independent study course.
2. The independent study/project material cannot duplicate any existing course.
3. Students can apply up to 3 credits hours of independent study toward a BS or 6 hours for an MS or PhD.
4. Students must obtain the approval of a full-time faculty member before registering for independent study.

Following the department chair's signature, the student must contact the department office for registration information: ecedept@uccs.edu

This is to certify that I agree to serve as supervising instructor for:

Student name: _____   Email address: _____

SID: _____   Phone number: _____

Semester/Year: _____   Course/Section: _____   Number of hours: _____
