Department of Electrical and Computer Engineering
University of Colorado Colorado Springs

Graduate Independent Study/Project Approval Form

Students interested in independent study credit must read and adhere to the following rules:

1. Students must have a minimum GPA of 3.0 to register for an independent study course.
2. The independent study/project material cannot duplicate any existing course.
3. Students may apply up to 6 credit hours of independent study toward an MSEE or PhD degree.
4. Students must obtain the approval of a full-time faculty member before registering for independent study.
5. Independent study courses will be assigned a letter grade and are not eligible for pass/fail grading.

Following the department chair's signature, the student must contact the department office for registration information: ecedept@uccs.edu

This is to certify that I agree to serve as supervising instructor for:

Student name: _____ Email address: _____

SID: _____ Phone number: _____

Semester/Year: _____ Course/Section: _____ Number of hours: _____

Cumulative GPA: _____ No. of independent study credits taken: _____

Sponsor's/Company Name (if external program) _____ Phone number: _____

Topic of independent study project/work: _____

_____

Brief description of the work:

Background:

Deliverables:

Training:

Schedule:

Reports:

(40 hours of student work are required per semester credit hour)
